APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place and manner of use of the waters of Trail Creek as heretofore granted under Permit No. 10856 is issued subject to the terms and conditions imposed in said Permit No. 10856 and with the understanding that no other rights on the source will be affected by the change proposed herein. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 0.0025 cubic foot per second, or sufficient to water 80 head of cattle.

Actual construction work shall begin on or before November 18, 1956

Proof of commencement of work shall be filed before December 18, 1956

Work must be prosecuted with reasonable diligence and be completed on or before November 18, 1957

Proof of completion of work shall be filed before December 18, 1957

Application of water to beneficial use shall be made on or before

November 18, 1957. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 18, 1957

Proof of commencement of work filed NOV 7 1957

Proof of Completion of work filed NOV 7 1957

WITNESS MY HAND AND SEAL this 18th
